

INTEGRATED MANAGEMENT SYSTEM MANUAL

Doc. code : QPMC/IMS/IMSM-01

Revision : 00

Issue Date : 07/01/2016

Annexure – 2: IMS Policy (HSEQS Policy Statement)

The Scope of the HSEQS Policy is defined within the boundaries of activities as performed through the “Importation of aggregates via the Gabbro Berths at Mesaieed, Lusail and Ras Laffan, the provision of sand from the Sahara Washed Sand Plant, the Nijian Sand, and local International Mining Operations”.

We commit to with the requirements of the, OHSAS 18001, ISO 14001, ISO 9001 and ISPS Management Systems, hereafter noted as the integrated HSEQS Management System documented at QPMC.

- *We commit to continually improve the effectiveness of the integrated HSEQS Management System.*
- *Enhance customer satisfaction by delivering high quality service in a timely, accurate and reliable manner.*
- *We undertake to evaluate the HSEQS hazards, risks, environmental impacts and quality associated with the supply of primary materials to the State of Qatar.*
- *We strive to prevent, fatalities, injuries and ill health to our employees and contractors through continual improvement of our HSEQS performance and the prevention of pollution.*
- *We commit to comply with the Qatari Legislation and Regulations as it relates to HSEQS hazards, risks, the environment and quality.*
- *We periodically set and review HSEQS objectives and targets at set intervals.*
- *We ensure that our integrated HSEQS Management System is documented, implemented, maintained, communicated and understood at all levels within QPMC.*
- *We make our HSEQS management system available to Interested and Affected Parties, including the Public.*
- *We periodically review the HSEQS Policy for continuing suitability.*
- *We ensure the early and efficient collection and exchange of security-related information.*
- *We provide the methodology for security assessments so as to have in place plans and procedures to react to changing security levels.*
- *We maintain communication protocols for ships and port facilities.*
- *We provide means for raising the alarm in reaction to security threats or security incidents.*
- *We train, drill and exercise to ensure familiarity with security plans and procedures.*

P.P.
